Subject: CLP - CTB - Colour of metal works at Clock tower
Date sent: Thu, 1 Apr 2021 15:20:06 +0800

Dear Gammon/Midi,

Regarding your previous query on the colour of handrail at staircase, alum. capping at glass balustrade, etc., please note that "semi matt tusky white" (RAL9016) will be used for metal works on the exit staircase handrail and balustrade (refer to attached location for reference). Nosing tile to be white non-slip mosaic (CT-33 on material schedule) and the epoxy paint colour on floor shall follow colour of adjacent wall.

Please prepare your material/sample submission based on the above accordingly for our review.

Thank you.

Warm regards,

Eliot Chan
